

STUDENT WORKER - TRADES PROGRAM

Student Workers receive training and assist staff by performing general labor and tasks in trades such as Maintenance, Construction, Communication, and Equipment while enrolled in High School.

- Receive on the job training and experience!
- Paid Up to \$12.24/hr.
- Opportunity to network with future employers!

Limited placement opportunities in Las Vegas, Tonopah, Carson City, Reno, Winnemucca, Elko, and Ely. Placement is based on availability and trades will be matched as closely as possible to students' education experience, work experience, and interest.

Program Requirements:

- Age 16 and above
- Students or high school graduates, but employment may not extend beyond six months from date of graduation.
- Provide proof of enrollment in a high school educational program or of high school graduation.
- Have a valid Driver's License.
